

**Community
Consultation Event**
for the proposed
Viznitz school at
73 Lordship Road
(St Mary's Lodge)

Sunday 16th December 2018
4pm- 6pm
Belz Seminary, 85 Lordship Road

As you are probably aware St Mary's Lodge has been vacant for a long time and has fallen into a sorry state. Over the past 18 months the Viznitz School have been working with John Stebbing Architects on a scheme to restore St Mary's Lodge and redevelop the site around it to create a new school.

We invite you, therefore, to come along to Belz Seminary, 85 Lordship Road between 4-6pm on the 16th December to see a sketch model and presentation boards, and to give us your comments.

We have undertaken pre-application discussions with Hackney Council, but we would really like to hear what our neighbours think about our proposals.
